

Overview of NCA Outreach Activities (Meetings and Workshops)

Process Workshops (14 completed)

1. Midwest Regional Workshop (February 22-24, 2010)
2. Strategic Planning Workshop (February 24-25, 2010)
3. Scoping the Product(s) and Work Plan (June 17-18, 2010)
4. International Context – Scoping Meeting (August 11, 2010)
5. Communications – Scoping Meeting (September 9, 2010)
6. Knowledge Management Workshop (September 20-22, 2010)
7. Planning Regional and Sectoral Assessments (November 15-17, 2010)
8. Ecosystems and Climate Change: Monitoring and Indicators (November 30-December 1, 2010)
9. Climate Change Modeling and Scaling: Issues and Methodological Perspectives (December 8-10, 2010)
10. Scenarios for Assessing Our Climate Future: Issues and Methodological Perspectives (December 10-12, 2010)
11. Valuation Techniques and Metrics for Climate Change Impacts, Adaptation, and Mitigation Options: Methodological Perspectives (January 12-13, 2011)
12. Uses of Vulnerability Assessments for the NCA (January 19-20, 2011)
13. Monitoring Climate Change and Its Impacts: Physical Climate Indicators (March 29-30, 2011)
14. Monitoring Climate Change and Its Impacts: Societal Climate Indicators (April 27-29, 2011)

Listening Sessions and Town Hall Meetings (5 completed, 2 scheduled)

1. American Meteorological Society (January 25, 2011)
2. International Symposium on Society and Resource Management (June 7, 2011)
3. Soil and Water Conservation Society (July 19, 2011)
4. Coastal Zone '11 (July 20, 2011)
5. Ecological Society of America (August 8, 2011)
6. *American Geophysical Union – Southwest Regional Climate Change Assessment Town Hall (December 5, 2011)*
7. *American Meteorological Society (January 25, 2012)*

Briefings at Conferences and Meetings (15 completed, 1 scheduled)

1. Water Sector Assessment Needs (September 2, 2010)
2. NOAA RISA Annual Meeting (September 30-October 2, 2010)
3. Land and Sea Grant Conference (January 31, 2011)
4. North American Carbon Program All-Investigators' Meeting (February 2, 2011)
5. AAAS Annual Meeting (February 17-21, 2011)
6. Association of American Geographers (April 14, 2011)
7. American Water Resources Association (April 18, 2011)
